Jon.Johnson@co.eau-claire.wi.us

Staff Assignments:

Matt Gundry, P.E. – Project Engineer
Ryan Jarvis, E.I.T. – Plan preparation

Project Scope:

The Eau Claire County Highway Department contracted with Fleming, Andre and Associates, Inc. to prepare plans for the replacement of the existing CTH HH structure over Pine Creek in Eau Claire County; a 17-foot clear span concrete deck bridge on cast-in-place girders on concrete abutments built in the 1920's. This structure will be replaced with a 10 ft by 5 ft Precast Concrete Box Culvert on Precast Concrete Wingwalls.

Services provided by Fleming, Andre & Associates, Inc. included a topographic survey, structure survey and report, preliminary structure plan, preliminary road plan, soils report, pavement design report, slope intercepts and preliminary transportation project plat, final transportation project plat and descriptions, final road and structure plans, and final PS&E documents. This project was constructed in 2015.
