Staff Assignments:

John Mueller, R.L.S. – Project Manager

Skip Bertrand – Sr. Design Technician – Plat development

Project Scope:

Increasing traffic due to the rapid rate of development taking place on the south side of Eau Claire, WI warranted this project. Work involves a right of way plat development for expanding 2-lane STH 93 to a 4-lane facility and includes all field surveys, utility locates, title searches and parcel descriptions.

Construction was completed in two phases during 2005 and 2006.
