Staff Assignments:

John Mueller, R.L.S. – Project Manager
Skip Bertrand – Sr. Design Technician – Plat development

Project Scope:

This project involved developing the preliminary and final right of way plat for the preliminary design areas of the interchange between Radio Road and STH 35 and the overhead structure at Glover Road and STH 35. Work was in accordance with the FDM and included all tasks necessary to complete the plat and legal descriptions and involved reviewing title searches and establishing locations of property lines.
