

Town Hall and Fire Station (2003)

Client:

Town of Washington

Project Number:

N/A

Location:

Town of Washington
Eau Claire County, Wisconsin

Client Contact:

Mike Peterson, Administrator
Town of Washington
5750 Old Town Hall Road
Eau Claire, WI 54701
715-834-3257

Staff Assignments:

Randy Sanford, P.E. – Project Manager
John Mueller, R.L.S.
Donald Bertrand – Senior Design Technician

Project Scope:

Fleming, Andre & Associates, Inc. provided the topographic and boundary survey for the new town hall and fire station. We assisted in the local agency coordination with Eau Claire County and the State of Wisconsin. We completed a Certified Survey Map of the site that included vacating adjacent cemetery land. In conjunction with the architects, PMSI, Inc., we performed a new storm water runoff analysis and design for the site.
