**Staff Assignments:**

Don Andre, P.E. – Project Oversight  
Matt Gundry, P.E. – Project Engineer  
Chad Halama, P.E. – Project Engineer  
Ryan Jarvis, E.I.T. – Plan Development  
Donald Bertrand – Plan Development  
Tony Larson – Survey Technician

**Project Scope:**

Fleming, Andre & Associates, Inc. will be providing a “65% Shelf Plan” consisting of milling the existing asphalt pavement and placing new asphalt pavement overlay on this 11.67 mile section of STH 29 in Pierce County, WI. This project will also include roadside clearing, ditching and replacing or rehabilitating culverts as necessary.

Deliverables include a Traffic Management Plan, Programmatic Environmental Report, Design Study Report, Preliminary Plan and PS&E, Culvert Inspections, Traffic Control Plan, Signing Plan, Pre-PS&E Plan and Documents, and Final PS&E Package. WisDOT’s Accelerated Design Process will apply to the majority of the project segments of this 3R type project.
