Staff Assignments:

Chad Halama, P.E. – Project Leader
Anthony Larson – Support Staff

Project Scope:

This urban resurfacing project of 0.85 miles of Broadway Street on STH 25 in the City of Menomonie involved grading, storm sewer, base aggregate dense, concrete pavement, HMA pavement, concrete curb and gutter, concrete sidewalk, permanent signing, traffic signals, pavement marking, beam guard, traffic control and all incidentals. This project required extensive coordination with both the University of Wisconsin – Stout and the City of Menomonie.

Fleming, Andre & Associates, Inc. provided construction inspection, materials sampling, measurement of quantities, project record keeping and the completion of project finals.
