Staff Assignments:

Chad Pecha – Project Leader

Project Scope:

Fleming, Andre & Associates, Inc. provided construction inspection services on this rural bridge rehabilitation project which included five structures along IH 39 from Plainfield to Stevens Point in Portage County.

Major items of work included traffic control, removing asphaltic surface milling, HMA pavement, pavement marking, bridge painting and all incidentals. Services provided were construction inspection, materials sampling, measurement of quantities, project record keeping, and the completion of project finals.
